

AS SEEN ON TV

Teams compete in fun activities based on famous scenes from film and TV!

Teams visit different activity areas where an instructor will set them a team building challenge. Each activity is themed around a popular moment in film and TV.

The challenges are lots of fun but they also require excellent team work and encourage attributes such as creativity, problem solving and communication.

The Challenges:

The BIG Piano

Teams must recreate the classic scene from the film "BIG" by learning and playing a tune on our giant walk on floor piano! Mastering the tune requires co-ordination, team work and total commitment from all team members.

Piece of Cake

Teams follow in the footsteps of the car commercial to design and make something entirely from cakes! How adventurous will they be?

The Crystal Maze

Teams must work together to solve the team building games and win the crystals.

CSI

Teams communicate and share information. They must then analyse the evidence to solve the murder and ensure that justice is done!

Ga Ga Fashion

Teams have been called upon as chief stylists on the new Lady Gaga music video and must use the materials provided to design and create an outfit that is totally Ga Ga!

Benefits

Team spirit, creativity, healthy competition, time management, logical problem solving, communication, co-ordination, social interaction, fun!

Venue Requirements

Indoor space

Indoor, flat floor space of at least 4.5m x 2m for BIG Piano

Tables and chairs

Access to 13 amp plug socket (extension leads provided)

Location

Indoors

Participants

10 - 100+

Suggested Team Size

5 - 8 guests per team

Duration

2½ - 3 hours

Event Includes

- Event Manager and Team Building Instructors
- Giant Walk-On Floor Piano with PA System and Software
- Cakes and Cake Decorating Materials
- Table Covers, Gloves and Aprons
- Craft Materials
- Crystal Maze Team Building Games
- CSI Evidence Reports and Warrants
- Team Packs
- Fun Prizes
- First Aid Trained Staff
- £5 Million Public Liability Insurance

BAKE THAT!

A cookery activity where teams have a go at baking and decorating their own sweet treats!

Inspired by the Great British Bake Off, teams get creative by taking part in the nation's favourite activity of the moment – baking!

Each team will have their own cook station, with mini oven, as well as recipe cards and all the necessary equipment they will need to help them create their team treats.

Our expert chefs will be there to give advice, tips and techniques, so everyone can be confident that they can achieve something delicious, no matter how bad a cook they may think they are!

Just like on Bake Off, teams are given 3 different challenges – the Signature Bake, the Technical Challenge and the Showstopper! Each team is given a different recipe so that the group as a whole produces a wide variety of cakes and treats including biscuits, cookies, French macarons, cakes and fondant fancies.

Once their treats are baked to perfection, teams then make them look good enough to eat by decorating them with icing, sweets, toppings and sparkles.

This event can be held as a competition, with a prize for the winning team, or can be run as a relaxing collaborative event where the reward is for everyone to share and enjoy their treats together!

As a fun conclusion to the activity, guests can display their bakes on cake stands for judging and then socialise whilst enjoying their sweet treats!

Benefits

Creativity, time management, collaboration, communication, team spirit, learning new skills, sense of achievement, healthy competition, social interaction, relaxation, fun!

Venue Requirements

2 hours set up time
2 tables per team (1 x team table, plus 1 x trestle table for oven)
3 trestle tables for equipment
1,500 Watts at 6 Amps of power per oven
Ability to isolate smoke alarms in the activity room
1 – 2 hours pack down time

Location

Indoors

Participants

5 – 100

Suggested Team Size

5 – 8 guests per team

Duration

2½ – 4 hours

Event Includes

- Experienced Chef
- Cookery Instructors
- Cooking Utensils and Equipment
- Mobile Cookers
- Ingredients
- Recipe Cards
- Serving Trays and Cake Stands
- Table Covers, Gloves, Chef Hats and Aprons
- Team Packs
- First Aid and Food Hygiene Trained Staff
- £5 Million Public Liability Insurance

BANZAI

In the style of a "Human Race Night", guests bet on their team mates' performances in some very surreal activities!

Rounds Can Include:

Wobbly Wobbly Chopstick Challenge

Participants compete to finish a bowl of jelly using chopsticks!

Crazy Cracker-Chew Challenge

Contestants race to finish eating a plateful of dry cream crackers.

Malteaser Geezer!

Contestants must transfer Malteasers from one bowl to another using only straws and the power of their own suction.

Super Ace Face Race

Participants race to manouvre an After Eight mint from their foreheads into their mouths without using their hands (and before it melts!)

Flippin' Brilliant!

All those years of practicing in the pub are finally about to pay off. Participants compete in the ultimate beer mat flipping challenge.

Mallow Mouthful Marathon

Contestants compete to fit the most marshmallows in their mouth.

Spinny Spinny Win Win

Contestants compete to keep the plate spinning for the longest time.

Hot Shot Roulette

Not for the nervous. Participants choose from six glasses of tomato juice. But which one is spiked with chilli sauce?

Gravy Train

A team drinking game, only with cold gravy*. Yuk!

*Vegetarian option available!

Egg on Your Face

Participants crack an egg over their head. Some are boiled, some are not...

BLOCKBUSTER!

A fun and creative film making event where teams direct and film their very own "brick film" animation block buster.

Teams are given a brief for the subject of their films. The theme could be anything from making a short film, documentary, music video, comedy sketch, promotional video or an advert for something specific to the company.

Teams then plan their storyboards for their films and assign their team roles, deciding who will be the director and who will be in charge of building, filming, sound, voice acting and editing.

Armed with tripods, lighting and microphone booms, and with access to our extensive collection of Lego scenery, characters and props, teams then get creative and film their movies.

Once the film are "in the can" teams edit their movies using pre-installed apps, where they can zoom, cut, and add film effects such as black and white or speed settings. They can also choose from a bank of sound effects and music to create their soundtrack.

As a fun finale, teams' movies are shown on our large screen and the winning team receive their prizes in a closing awards ceremony. We can also award spot prizes for other teams for categories such as best set design, best editing and best actors.

Benefits

Team spirit, creativity, healthy competition, time management, logical problem solving, communication, co-ordination, social interaction, fun!

Venue Requirements

Indoor space

Tables and chairs

Access to 13 amp plug socket (extension leads provided)

Location

Indoors

Participants

10 – 100

Suggested Team Size

5 – 10 guests per team

Duration

3 – 4 hours

Event Includes

- Event Manager & Team Building Instructors
- iPad Air with Tripod, Lighting, Microphone and Boom Per Team
- Sound Effects and Music Library
- Large Selection of Themed Lego Sets, Characters & Backdrops
- Big Screen and Projector
- PA System
- Team Packs
- Award Statues
- First Aid Trained Staff
- £5 Million Public Liability Insurance

CHOCOLATE FACTORY CHALLENGE

Our chocolate making team building event is a real treat! Similar to the challenge seen on "The Apprentice", teams must invent a brand new box of chocolates!

Teams begin by invent their new chocolates. With a wide range of chocolate making ingredients, teams can choose different types of melted chocolate and a whole host of delicious fillings.

Once stocked up on treats things really get creative. Teams combine their ingredients and then smother them in melted chocolate. The finishing touches are then applied with icing, toppings and sprinkles.

Teams then develop their chocolate brand by giving it a catchy name and designing and making the packaging.

Ingredients and packaging materials are priced, so teams will need to keep an eye on costs and decide how they will price their product to make the best profit.

Teams then pitch their product, brand and marketing strategy in a presentation to the judges and, as a fun finale, teams perform their own advert!

Bonus points can be earned by completing additional fun team games such as a quiz on the chocolate industry and a piping bag challenge.

Prizes will be awarded to the winning team and everyone can make and decorate a chocolate lollipop to take home! Yum!

Benefits

Communication, creativity, innovative thinking, business skills, budget control, time management, healthy competition, learning new skills, sense of achievement, social interaction, team spirit, fun!

Venue Requirements

Indoor space

1 table per team, with chairs

3 trestle tables for equipment

Access to 13 amp plug socket (extension leads provided)

Access to fridge if possible

Location

Indoors

Participants

10 – 500 +

THE CRYSTAL MAZE

A Crystal Maze themed event where teams compete in a range of team building games in order to win the most crystals.

Teams visit activity zones that are categorized Physical, Mental, Mystery and Skill. In each zone there are a number of themed team building games and activities for teams to complete. Please see page below for a full list of activities.

Challenges are varied to suit all skills and are specially designed to encourage attributes including communication, logic, co-ordination, problem solving and time management. For each challenge teams are awarded crystals depending on their performance. The more crystals teams earn, the more time they will have in the finale.

In a fun and exciting finale, teams enter the inflatable crystal dome! The crystals they have earned are each worth 5 seconds. Teams must work against the clock to collect as many of the gold tickets as possible as they are blown around in the dome. For every silver ticket accidentally collected, a gold ticket is deducted. At the end of the finale whichever team has the most gold tickets is the proud winner of the coveted crystal trophy!

Benefits

Team spirit, communication, co-ordination, healthy competition, time management, logical problem solving, leadership, social interaction, fun!

Venue Requirements

Access to 13 amp plug socket (extension leads provided)
Generator can be provided for outdoor use with no access to electricity

Ceiling height of 3.5 metres for crystal dome

Floor space of 6.5 metres diameter for crystal dome

Location

Indoors or Outdoors

Participants

10 – 100+

Suggested Team Size

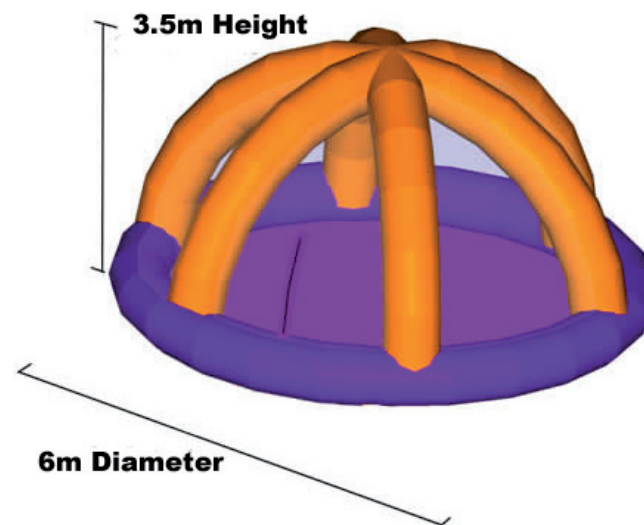

5 - 8 guests per team

THE CRYSTAL MAZE

A Crystal Maze themed event where teams compete in a range of team building games in order to win the most crystals.

The Challenges

Physical

Team Tower

Teams must work out how to re-build the tower on an opposite space without placing a larger block on top of a smaller block.

Team Tent

Team members must follow verbal instructions from a team mate to assemble a tent whilst blindfolded!

Skill

Well Balanced

Team members must pass differently weighted objects to each other without tipping the see-saw.

Slide and Seek

Teams must solve the giant slide puzzle. Only when the pieces are in the right place will the crystal be uncovered!

Mental

Toxic Waste

Teams must work out the maths formula that will allow them to divide up some extremely hazardous substance so that it is safe for disposal!

Library Logic

Teams must work out how to arrange the books correctly on the bookshelf.

Mystery

Stocks & Share

Team members place their hands in the "stocks" and complete the jigsaw as a team. But with limited reach and movement, co-operation and communication is required.

Team Skis (Outdoors Only) or Bank job (Indoor Alternative)

The whole team must position themselves onto the giant skis. They must then synchronise their movements and master the art of walking in them in order to complete an obstacle course.

Bank Job

Teams must communicate and share information. They must then analyse the clues and use their logic to solve the mystery and ensure that justice is done!

The Crystal Dome!

In a fun and exciting finale, teams enter the inflatable crystal dome! As the fans blow the tickets around teams must collect as many gold tickets as possible while avoiding the silver ones!

Location

Indoors or Outdoors

CUPCAKE CHALLENGE

A fun and creative activity featuring the trendiest treat of the moment – cupcakes!

Similar to the challenge seen on “The Apprentice”, teams must invent a new brand of cakes.

Teams begin by inventing their new cupcakes. With a wide range of ingredients and tools available, teams can let their imaginations run wild. Teams can try out a variety of types and colours of ingredients and experiment with different plungers, cutters, moulds and nozzles in order to make their sweet treats unique!

Teams then develop their cupcake brand by giving it a catchy name and designing and making the packaging.

Ingredients and packaging materials are priced, so teams will need to keep an eye on costs and decide how they will price their product to make the best profit.

Teams then pitch their product, brand and marketing strategy in a presentation to the judges and, as a fun finale, teams perform their own advert!

Bonus points can be earned by completing additional fun team games such as a quiz on the baking industry and a piping bag challenge.

Prizes will be awarded to the winning team and, as a fun and sociable conclusion to the event, teams can dig in and enjoy their cupcake creations together!

Benefits

Communication, creativity, innovative thinking, business skills, budget control, time management, healthy competition, learning a new skill, sense of achievement, social interaction, team spirit, fun!

Venue Requirements

Indoor space

1 table per team, with chairs

3 trestle tables for equipment

FESTIVE QUEST

A fun, festive team building event where teams compete against each other in some Christmassy activities.

Teams visit different activity areas where an instructor will set them a Christmas themed team building challenge.

Points are awarded depending on teams' performance in the challenges and at the end of the event, the team with the most points will be crowned the winner!

Although flexible, the standard format includes up to 5 of the following activities, run in 20-30 minute sessions:

BIG Piano - Teams learn to play 'We Wish you a Merry Christmas' on our giant walk on floor piano! Mastering the tune requires patience, team work and total commitment from all team members.

Jingle Bells - Teams co-ordinate themselves to play a Christmas tune on the hand bells.

Tree-mendous - Teams follow instructions from team mates in order to assemble and decorate a Christmas tree whilst blindfolded!

Christmas Cake - Teams design and decorate their own Christmas cake.

Brain Freezers - Teams must work together to solve some Christmas themed team building puzzles including the Present Pyramid Puzzle and the Christmas Robbin' mystery game

where teams share information in order to solve the mystery of who stole the Christmas presents.

Christmas Cardie - Teams are given a plain jumper and some fabric pens and must design the worst Christmas jumper they can think of!

Sleigh - Teams must use the craft materials to create Santa's sleigh. Not only must it be fabulously festive but it must also be self-propelled!

Balloon Modelling - Teams master the art of balloon modelling before attempting to create their own balloon reindeers, sleighs and Santas!

Reindeer - Teams must make the tallest free-standing reindeer using only newspaper and sellotape. Random? Yes, but not as easy as it sounds!

Christmas Fairy - Teams design and create a fairy outfit, fit for the top of the tree, out of recycled materials.

Benefits

Team spirit, creativity, healthy competition, time management, logical problem solving, communication, co-ordination, social interaction, festive fun!

Venue Requirements

Access to 13 amp plug socket (extension leads provided)

GAME SHOW MANIA

An interactive quiz featuring a medley of rounds from classic TV game shows.

Ever shouted the answers at your telly during a game show? Now's your chance to see how well you would do as a contestant!

Rounds Include:

The Price is Right

Team must correctly guess the price of everyday household objects.

Countdown

Teams attempt to make the longest word possible while the time ticks away and the annoying music plays!

Catchphrase

Say what you see. Teams must solve Mr Chips' picture riddles to reveal every day phrases.

Shooting Stars

The 'Pub Singer' round. Teams must guess which popular song is being sung in the hilarious pub singer style!

The Krypton Factor

The famous observation round. Teams must watch the comedy clip closely before answering the questions.

Play Your Cards Right

A knock out round. Teams use their higher or lower arrows to correctly predict whether the next card in the sequence will be higher or lower (you get nothing for a pair!)

Generation Game

Teams are shown how to make something fantastic out of modelling balloons and must do their best to recreate it.

Banzai

A hilariously quirky round where teams can gamble their points by betting on their team mates' performances in some fun activities.

Volunteers are called upon to take part in competitions, including the 'Crazy Cracker-Chew Challenge' where contestants race to eat 3 dry cream crackers, the 'Mallow Mouthful Marathon' where contestants compete to fit the most marshmallows in their mouths and the 'Wibbly Wobbly Chopstick Challenge' where contestants race to finish a bowl of jelly using only chopsticks!

Benefits

Team spirit, healthy competition, social interaction, fun!

Venue Requirements

GENERATION GAME

In true Generation Game style, teams compete against each other in some weird and wonderful, fun team challenges!

Activities can include up to 5 of the following, plus finale:

Balloon Modelling

Teams are given a demonstration before attempting their own balloon creations.

Giraffe

Teams must make the tallest free-standing giraffe using only newspaper and sellotape. Not as easy as it sounds!

Cake Decorating

Teams must portray their team through the medium of cake decoration!

Doctors and Nurses

Teams are given a first aid lesson before bandaging up their team mates and sending their best patient for Matron's inspection.

Face Painting

After a demonstration, teams make-over their team mates with face paints!

Plate Spinning

Guests master the art of plate spinning – which isn't as easy as it looks!

Line Dancing

Teams perfect their Boot Scooting and Shuffle Step in this fun dance lesson. Yee ha!

Maori Haka

This traditional dance is first demonstrated by our rugby player. Teams then practice and perfect it before intimidating their rivals in the final stomp-off!

Trashy Fashion

Teams design and create an outfit out of bin bags, ribbons, tin foil and other craft materials, and then take to the catwalk!

Body Parts ("Pin the Cockey on the Sacrum")

Teams stick pictures of unidentified body parts in the anatomically correct place on a team mate.

Human Conveyor Belt- Finale

The two highest scoring teams compete for the winning title in our human conveyor belt. Teams pass random objects along to each other and are awarded points for every item they can remember. Cuddly toy included!

Benefits

Time management, creativity, collaboration, communication, team spirit, learning new skills, sense of achievement, healthy competition, social interaction, fun!

Venue Requirements

Tables and chairs per team
3 trestle tables
Access to 13 amp plug socket

Location

GOING FOR GOLD

A fun and diverse Super Sports Day to motivate teams with an energy boost!

Teams compete in a range of fun, Olympic themed challenges in order to win the most medals. Activities are varied to suit all skills and are not just physical! We've also added some mental gymnastics to give the brain a work out too! Challenges include:

Team Sports

Space Hopper Polo

A favourite British game with a modern twist - the horses are now inflatable!

Mini-Bike Match Sprint

A cycling pursuit race like you've never seen before. This cycle match sprint is held on the silliest little bikes you've ever seen!

Physical Vs Mental

School Races

Teams compete in school race favourites such as the sack race and egg and spoon race.

Mental Gymnastics

Teams must give their brains a work out in order to solve our giant slide puzzle.

Track and Field

Go with the Throw

Teams compete in our furiously frustrating but hugely entertaining Ping-Pong Shot Put, Paper Plate Discus and Floppy

Foam Javelin. They won't go very far, no matter how hard you throw them, but it still makes for a funny spectacle watching people try.

Dummy High Jump

The high jump, but not as we know it! Teams must work together and co-ordinate their movements in order to launch the lifesize dummy highjumper over the bar!

Winter Sports

Bobsleigh

Due to lack of snow, teams must complete the bobsleigh course by moving the sledge along the course using rollers!

Team Slalom

Teams synchronise their movements and master the art of walking on the team skis before completing an obstacle course.

Benefits

Team spirit, healthy competition, time management, logical problem solving, tactical thinking, communication, co-ordination, creativity, leadership, social interaction, fun!

Venue Requirements

Outdoor space
4 tables (round or trestle)

HAPPY SUNDAES

A creative and innovative activity where teams invent a brand new ice cream flavour!

Similar to the challenge seen on "The Apprentice", teams must invent and produce a brand new ice cream flavour!

Teams begin by inventing their new flavour. With a wide range of ingredients teams can let their imaginations run wild. The more adventurous can go mad with the not-so-obvious ingredients, in the style of Heston Blumenthal's gourmet egg and bacon ice cream!

Once decided, teams put their ingredients into a recipe and make their product, using top quality ice cream making facilities.

Teams then develop their brand by giving it a catchy name and designing and making the packaging.

Ingredients and packaging materials are priced, so teams will need to keep an eye on costs and decide how they will price their product to make the best profit.

Teams then pitch their product, brand and marketing strategy in a presentation to the judges and, as a fun finale, teams perform their own advert!

Bonus points can be earned by completing additional fun team games such as a quiz on the ice cream industry and a "name that tune" of popular songs performed in the style of ice cream van chimes!

The proof, as they say, is in the pudding and after a tasting session (it's a tough job) the winning team will be awarded with the coveted silver scoop award!

Benefits

Communication, creativity, innovative thinking, business skills, budget control, time management, healthy competition, learning a new skill, sense of achievement, social interaction, team spirit, fun!

Venue Requirements

Indoor space
1 table per team, with chairs
3 trestle tables for equipment

HOT RODS

***A collaborative activity where everybody is literally on the same track!
Teams combine their efforts to build and join together Hot Wheels tracks
before racing them in a fun, fast finale.***

Teams begin by completing a series of challenges in order to earn their materials. Games include a variety of tasks to encourage logical problem solving, communication and co-ordination, all with a car theme.

Working in small groups initially, teams figure out the best way to construct a structure for their track using only rods and cable ties.

Each team is given a different Track Challenge to build, each incorporating a team stunt such as "Dead Man's Curve", "Loop da Loop da Loop" or "Speedway".

Strict building regulations must be adhered to and will be checked thoroughly by the track engineering inspectors!

Once their track is assembled, teams then practice their stunts and tweak their tracks to perfection, before joining up with the other teams to make one big collaborative Hot Wheels track extravaganza!

Benefits

Collaboration, team spirit, creativity, time management, logical problem solving, communication, co-ordination, social interaction, sense of achievement, fun!

IPAD MOVIE MAKING

A fun and creative film making event where teams direct, film and edit a movie using iPad Air.

Teams are given a brief for the subject of their films. The theme could be anything from making a short film, documentary, music video, promotional video, newscast or an advert for something specific to the company.

Teams then plan their storyboards for their films and assign their team roles, deciding who will be the director and who will be in charge of filming, sound, costumes, location, acting and editing.

Armed with tripods, lighting and microphone booms, and with access to our extensive collection of fancy dress costumes and props, teams then get creative and film their movie s.

Once the films are "in the can" teams edit their movies using pre-installed apps, where they can zoom, cut, and add film effects such as black and white or speed settings. They can also choose from a bank of sound effects and music to create their soundtrack.

As a fun finale, teams' movies are shown on our large screen and the winning team receive their prizes in a closing awards ceremony. We can also award spot prizes for other teams for categories such as best costume, best editing and best actors.

MEDIEVAL MAYHEM

An action packed medieval themed team building event.

With knights, castles, jousting and a trebuchet siege, teams complete a multitude of medieval team building activities in the quest to be the best!

Teams complete medieval themed team building challenges to earn ammunition. The better their performance in the team games, the more ammo they will have to use against the other teams in the final siege!

Teams then build their castles and decipher the ye olde building instructions in order to assemble their trebuchet siege engine. To achieve the best throwing distance they must experiment with different factors such as arm length, pivot position, counterweight and release angle.

Once built, they proudly display their team flags and intimidate their rivals by decreeing their superiority with some fighting talk. They must then use their best throwing technique to annihilate their opponents' castles in the battle of all battles!

Benefits

Team spirit, communication, co-ordination, healthy competition, time management, logical problem solving, leadership, social interaction, fun!

MEDIEVAL MAYHEM

An action packed medieval themed team building event.

The Challenges

Strategy Area

Stocks & Share

Team members place their hands in the 'stocks' and build the medieval Lego army as a team. But with limited reach and movement, co-operation and communication is required.

The Knight's Tour - Chess Puzzle

Teams solve a logic puzzle on a piece of a giant chess board. The aim of the puzzle is to swap the white knights with the black knights. They can only travel using moves allowed in a conventional chess game, and must not be 'taken' by the opposite colour. Tricky!

Physical Area

Joust in Time - Space Hopper Jousting

Teams mount their horsey space hoppers to compete in a jousting competition, in a bid to beat their opponents to gather as many rings as they can on their foam lances!

Suits Ye Sire! - Knight Assembly

Teams must construct a real suit of armour. Half the team will be instructors and the other half will be blindfolded builders. Builders must listen carefully to the instructors who will guide

them to put the right pieces in the right places to correctly complete the armour.

Creative Area

Dressing Up & Flag

Teams use the craft materials provided in order to make an outfit that is fit for a king! They then design their own team crest, and make a flag to be displayed proudly on their trebuchet.

Maypole

Teams must co-ordinate their movements around a medieval maypole! They are given some pictures that show different patterns made by the ribbons on the maypole and must work out how they should move around it in order to recreate these patterns.

Building Area

Castle Build

Teams build their castle so that is as stable as possible, to give it the best possible chance of surviving battle. However, strict building regulations must be followed!

Trebuchet Build

Teams decipher the instructions to assemble their trebuchet correctly. As tough as assembling flat-pack furniture and, to add even more of a challenge, the instructions are written in ye olde English!

Location

Outdoors

Participants

10 - 100

Suggested Team Size

5 - 8 guests per team
Even number of teams

Duration

2½ - 3 hours

Event Includes

- Event Manager and Costumed Team Building Instructors
- Bespoke Medieval-themed Team Building Games and Activities
- Catapult Kits
- Craft Materials
- Teams Packs
- Fun Prizes
- First Aid Trained Staff
- £5 Million Public Liability Insurance

PERFECT PARTY

A fun and creative team building event where teams complete a number of activities in order to create their perfect party!

Teams visit different activity areas where they complete creative challenges perfect for any party.

The challenges are fun and creative, but they also require excellent team work and encourage attributes such as communication, forward planning and team spirit.

Challenges can include up to 5 of the following (30 minutes each)

Piece of Cake

Teams must portray themselves through the medium of cake decoration.

Loony Balloons

Teams are given a demonstration before creating a balloon centrepiece for their party table decoration.

Chocolate Making

Teams make their own after dinner chocolates.

Jelly and Ice Cream

Teams make their own dessert by creating an exciting new ice cream flavour.

Mug Painting

Teams decorate their own mugs for after dinner coffee. They can paint their own mug or, as a team building exercise, they

can find out all about one of their team mates and personalise a mug for them based on what they've learned about them.

Party Outfit

Teams fashion a party outfit for one of their team mates out of recycled materials.

Bunting Painting

Teams design and paint party bunting.

Party Games

Teams take part in some of our silliest party games from eating jelly with chopsticks, competing in a tiddlywinks contest or separating different colours of sweets by sucking them onto a straw.

The BIG Piano

Teams play a tune on our giant walk on floor piano.

Attributes

Team spirit, creativity, time management, problem solving, communication, co-ordination, fun, leadership, social interaction, fun!

Venue Requirements

1 hour set up time

Indoor, flat floor space of at least 4.5m x 2m for BIG Piano
Tables and chairs

Access to 13 amp plug socket (extension leads provided)

Location

Indoors

Participants

10 - 100+

Suggested Team Size

5 - 8 guests per team

Duration

2½ - 3 hours

Event Includes

- Event Manager and Team Building Instructors
- All Activity Equipment
- Table Covers, Gloves and Aprons
- Fun Prizes
- £5 Million Public Liability Insurance

QUANTUM CHALLENGE 100

Teams attempt to solve as many of the 100 challenges as they can within the time limit.

How many of the 100 team building challenges can your team solve in the allotted time? It's fast, furious and fantastic!

Quantum Challenge is a multitude of fun team building activities where teams attempt to solve as many team challenges as they possibly can within the time limit.

Team challenges include puzzle solving, boomwhacking, bell ringing, balloon modelling, trigonometry solving, cup stacking, beer mat flipping, giant dice building, mystery solving, etiquette relay racing, hand shadow making, jelly bean conversion scoring, blindfolded elephant drawing, domino rallying, sailor knot-tying, card pyramid building, play doh modelling, plate spinning, juggling, hula hooping, mini bike racing and LOTS more. To say there's "something for everyone" would be an understatement!

Teams will certainly be fully challenged with creative, technical, mental, sensory, problem solving, general knowledge and physical team games and activities.

On completion of each team challenge, teams are rewarded with fun money. Activities are categorised in difficulty ratings and the more difficult the activity, the more fun money is awarded. So teams will need to decide on their strategy of

quality versus quantity. Should they attempt to complete as many of the smaller team games as possible and earn their money gradually or spend more time working on the more challenging team building activities for a bigger pay out?

Time management, strategy and excellent use of all the individual team members' skills will be the key to victory in this fast-paced team building challenge extravaganza!

Benefits

Time management, tactical thinking, healthy competition, team spirit, creativity, logical problem solving, communication, co-ordination, social interaction, fun!

Venue Requirements

Indoor space (with additional outdoor space if available)
Approximately 10 tables
Access to 13 amp plug socket (extension leads provided)

Location

Indoors

Participants

10 – 500+

Suggested Team Size

5 – 8 guests per team

Duration

1 – 6 hours

RACE NIGHT!

Place your bets on the nag of your choice! Who'll be the big winner of this fun and fast paced race night evening?

Hosted by the cheeky bookie, guests are shown the race form on the big screen and are then invited to place their bets at either the Tote booth or with the dodgy 'turf accountant'. Bet as a team or bet as individuals, the choice is yours.

Punters can play it safe by backing the favourite or risk their stake on higher odds for a greater win.

The race is then played out on the big screen whilst guests cheer for their favourite.

At the end of the race, winnings are calculated and dished out to the victorious!

Races can include horses, greyhounds or a selection of "Wacky Races" including sheep racing, snail racing and cheese rolling!

This activity can be run over dinner, with races taking place between courses. It can also be run as a race table to go alongside casino tables in a Millionaire's Night where guests try their hand at attempting to win as much fun money as possible before the evening is over!

Benefits

Team spirit, healthy competition, social interaction, fun!

Venue Requirements

Indoor space

1 table per team, with chairs

3 trestle tables for equipment

Access to 13 amp plug socket (extension leads provided)

Location

Indoors

Participants

10 - 500+

Suggested Team Size

5 - 10 guests per team

Duration

1 - 3 hours

Event Includes

- Event Manager and Crew
- Bookie Character
- Choice of Horse, Greyhound or 'Wacky Races'
- PA System with Microphones and Music
- LCD Projector and Big Screen
- Tote Booth
- Race Night Theming
- Betting Slips
- Fun Money
- Fun Prizes
- First Aid Trained Staff
- £5 Million Public Liability

ROLLER COASTER

A fun, fast team building activity where teams build a football roller coaster.

A fun, fast activity with an exciting and collaborative finale.

Teams begin by completing a series of challenges in order to earn their materials. Games include a variety of tasks to challenge logical problem solving, communication and co-ordination.

Working in small groups initially, teams figure out the best way to construct their piece of the rollercoaster, using only rods and cable ties.

Strict building regulations must be adhered to and will be checked thoroughly by the roller coaster engineering inspectors!

Once their track is assembled, teams then practice co-ordinating their movements to create a wave that will propel a football along the track.

For a competitive option teams can then compete against each other for the best team co-ordination and fastest journey along their track.

The event concludes with all teams joining together to make one giant roller coaster. Everyone must then work together to co-ordinate their movements and propel many footballs along the roller coaster in one huge group-effort finale!

Benefits

Collaboration, time management, healthy competition, team spirit, creativity, logical problem solving, communication, co-ordination, social interaction, sense of achievement, fun!

Venue Requirements

Indoor space

1 table per team, with chairs

3 trestle tables for equipment

Access to 13 amp plug socket (extension leads provided)

Location

Indoors

SAS APTITUDE TESTS

Teams must complete aptitude tests in exchange for vital clues and information!

Challenges can include:

Team Tower (Logical Problem Solving / Strategy)

Teams must work out how to re-build the tower on an opposite space without placing a larger block on top of a smaller block.

Team Tent (Communication/Skill) Night Manoeuvres

Team members must follow verbal instructions from a team mate to assemble a tent whilst blindfolded!

Well Balanced (Co-ordination/Strategy) Ammunition Dump

Team members must pass differently weighted objects to each other without tipping the see-saw.

Slide and Seek (Co-ordination / Strategy)

Teams must solve the giant slide puzzle.

Toxic Waste (Mental) Hazmat Handling

Teams must work out the maths formula that will allow them to divide up some extremely hazardous substance so that it is safe for disposal!

Library Logic (Mental)

Teams must work out how to arrange the books correctly on the bookshelf.

Stocks & Share (Co-ordination / Strategy)

Team members place their hands in the "stocks" and complete the jigsaw as a team. But with limited reach and movement, co-operation and communication is required.

Team Skis (Physical) Ski Or Die

The whole team must position themselves onto the giant skis. They must then synchronise their movements and master the art of walking in them in order to complete an obstacle course.

Coastguard Rescue (Communication) Behind Enemy Lines

Coastguards must use the binoculars in order to read out the morse code message. The rest of the team must decipher the morse code to solve the conundrum and save the sailors.

CSI (Analytical) Hostage Rescue

Teams must communicate and share information. They must then analyse the clues and use their logic to solve the mystery and ensure that justice is done!

SCULPTURE CLUB

A fun and creative model making event where teams express themselves through the medium of sculpture!

Teams learn some techniques they can use to make their sculpture. Here they will learn about professional techniques and how to use the different mediums available.

They must then think of a concept and a subject for their sculpture. The brief could be something that they feel reflects their team, their work, the company, core company values, or something that fits in with the theme of the conference.

Once teams have a subject in mind they can then choose from a wide variety of media to create their masterpiece! Teams form their structure with wire before cladding it with plaster of Paris bandages, paper maché, fabrics, plastics, cardboard, foam and recycled "scrap".

Sculptures can then be decorated with paints, pens, sequins, glitter, embellishments and an abundance of knicks, knacks, bits and bobs!

At the end of the activity, teams' sculptures will be displayed and presented to the rest of the group. Representatives from each team will describe what they have made and how it reflects their chosen theme.

This event can be held as a competition, with a prize for the winning team, or can be run as a collaborative event where the reward is for everyone to socialise whilst enjoying the "gallery" together!

Benefits

Creativity, co-ordination, team spirit, time management, Healthy competition, learning new skills, sense of achievement, social interaction, fun!

Venue Requirements

Indoor space

1 table per team, with chairs

3 trestle tables for equipment

Access to 13 amp plug socket (extension leads provided)

SUN AND GAMES

A sun-sational summer themed team building event to get teams having fun in the sun!

Teams compete in summer fun activities in order to win the most points. Challenges include:

Physical

Bouncy Beach Football

Teams complete a match on space hoppers!

English Country Garden

Teams race in wheelbarrows to water the flowers!

Mental

Barbecue Brainteaser

Teams must solve the puzzle and then use the tongs provided to put the items in the correct place on the barbecue.

Sandcastle Conundrum

Teams solve the puzzle to correctly build the sandcastle.

Skill

Walk the Plank!

Teams must balance themselves on the plank without tipping it!

Beach Towel Folding

A holiday favourite. Teams make animals out of beach towels.

Co-ordination

Coastguard Rescue

Coastguards must use the binoculars in order to read out the morse code message. The rest of the team must decipher the morse code to solve the conundrum and save the sailors.

Summer Camp

Teams must pitch a tent whilst blindfolded!

Benefits

Team spirit, healthy competition, time management, logical problem solving, tactical thinking, communication, co-ordination, creativity, leadership, social interaction, fun!

SUPER SPORTS DAY

A fun and diverse Super Sports Day to motivate teams with an energy boost!

Teams compete in a range of fun, Olympic themed challenges in order to win the most medals. Activities are varied to suit all skills and are not just physical! We've also added some mental gymnastics to give the brain a work out too! Challenges include:

Team Sports

Space Hopper Polo

A favourite British game with a modern twist - the horses are now inflatable!

Mini-Bike Match Sprint

A cycling pursuit race like you've never seen before. This cycle match sprint is held on the silliest little bikes you've ever seen!

Physical Vs Mental

School Races

Teams compete in school race favourites such as the sack race and egg and spoon race.

Mental Gymnastics

Teams must give their brains a work out in order to solve our giant slide puzzle.

Track and Field

Go with the Throw

Teams compete in our furiously frustrating but hugely entertaining Ping-Pong Shot Put, Paper Plate Discus and Floppy

Foam Javelin. They won't go very far, no matter how hard you throw them, but it still makes for a funny spectacle watching people try.

Dummy High Jump

The high jump, but not as we know it! Teams must work together and co-ordinate their movements in order to launch the lifesize dummy highjumper over the bar!

Winter Sports

Bobsleigh

Due to lack of snow, teams must complete the bobsleigh course by moving the sledge along the course using rollers!

Team Slalom

Teams synchronise their movements and master the art of walking on the team skis before completing an obstacle course.

Benefits

Team spirit, healthy competition, time management, logical problem solving, tactical thinking, communication, co-ordination, creativity, leadership, social interaction, fun!

Venue Requirements

Outdoor space
4 tables (round or trestle)

TEAM APPRENTICE

A fun, enterprising challenge, based on The Apprentice and Dragon's Den, where teams must demonstrate their business acumen in a bid to impress the boss and get hired!

Teams begin by inventing a new product. The brief can be anything from a new household invention, game, office accessory – the only limit is their imaginations!

To make their product a success, they must excel against their competitors in some business themed challenges:

Innovative Inventions

Using the materials provided, they must create a working prototype of their new invention.

Battle of the Brands

Teams must turn their product into a brand, giving it a catchy name and logo. They must identify their target market to ensure that their choice of logo and colours will appeal to the right audience as well as having “shelf appeal” against its competitors!

Marketing Plan

Teams must then decide on how they intend to market their product, where it will be sold and how they will attract customers.

Commercial Break

Teams use the props and costumes provided to compose a 30 second advert.

Show Me the Money

Resources are priced, so teams will need to negotiate the best deals and keep an eye on their costs. They must then calculate a Recommended Retail Price that will make them the best profit.

Punchy Promotions

As a bonus task, teams can also produce promotional products by painting their own branded mugs, T shirts and tote bags.

Pitch Perfect

Teams then pitch their product, brand and marketing strategy in a presentation to the judges before performing their advert in a fun finale!

Benefits

Communication, creativity, innovative thinking, business skills, budget control, time management, healthy competition, sense of achievement, social interaction, team spirit, fun!

Venue Requirements

Indoor space

Table and chairs per team

3 trestle tables for equipment

Access to 13 amp plug socket (extension leads provided)

TEAM TOURNAMENT

A super competitive indoor team Olympics of fun team building challenges where teams compete in a quest to be the best!

Teams compete head to head in a range of team building challenges. Points will be awarded depending on teams' performance in all activities and the winners will take to the podium to receive their medals! Challenges include:

Opening Ceremony (Creative) - Every tournament needs a dazzling opening ceremony with some memorable icons. We pay tribute to the Olympic opening ceremony with some creative activities:

Mascot

Teams must appoint a team mascot and then fashion a suitable costume for them.

Tournament Torch

A fun, practical round where teams must make a tournament torch using modelling balloons.

Street Sports - You don't have to be an athlete to get competitive! We have some fun street-style games including:

Tiddlywink Olympics

Enthusiasts have been campaigning for years for Tiddlywinks to be included in athletic tournaments, so we've added them to ours!

Sport Stacking

The phenomenon made famous by its popularity on YouTube. Teams race against the clock and each other to stack cups in set sequences.

Mental Gymnastics - Teams give their minds a work out with some logical and problem solving activities:

Olympic Rings

Teams must solve the slide puzzle to depict the iconic Olympic Rings.

Medal Detector

A communication and problem solving challenge where teams must share information and analyse the evidence in order to solve the mystery of who stole the missing medals.

Let's Get Physical - Teams get active in some physical challenges:

Wii Are the Champions!

Teams compete in sports on the Wii or Xbox Kinect, played on a big screen.

Mini-Bike Match Sprint

Just like on the Olympics only this cycle match sprint pursuit will be held on the silliest little bikes you've ever seen!

Benefits

Team spirit, healthy competition, time management, logical problem solving, tactical thinking, communication, co-ordination, creativity, leadership, social interaction, fun!

THE BIG PIANO

Your feet have never had so much fun! The BIG Piano is a giant walk on floor piano, similar to the one played by Tom Hanks in the film 'BIG.'

The BIG Piano is a high-energy, engaging and unique way of getting people together. It can be run in different ways to suit team building, evening events and promotions.

Size is variable from 4.5 metres to a whopping 7.5 metres long and it can be played by 1 – 10 people at a time. This is the only one of its kind and, at its full length, is the longest walk-on floor piano in the world!

As seen on Blue Peter and Strictly Come Dancing and played by Tom Hanks himself with Sandra Bullock on The Jonathan Ross Show!

Team Building

Teams allocate the piano keys between them and learn to play a famous tune. Mastering the tune requires team work, communication and total commitment from all team members. With practice and co-ordination teams can produce a brilliant performance, resulting in a fun and rewarding conclusion. For larger groups, the BIG Piano works best when mixed with other activities as part of a rotation event.

Evening Entertainment

The BIG Piano is also perfect for evening entertainment, as a fun and sociable attraction that offers a great alternative for those who would rather keep away from the dance floor!

The specially written software tells you which notes to play and also calculates a score depending on how many correct notes are played. This enables it to be run as a competition with a leader board.

The current song catalogue consists of piano favourites, classical tunes, TV and film themes, Christmas songs, pop songs and children's nursery rhymes.

Promotions

The BIG Piano is a highly effective for promotions because it's interactive, engaging and can't go unnoticed! It can be run as a promotional activity at fun days, launch events, student events, road shows and shopping centres. It is particularly popular with shopping centre promotions because guests want to recreate the iconic scene in the film 'Big' where Tom Hanks plays the giant floor piano in a department store!

Benefits

Team spirit, co-ordination, communication, leadership, commitment and persistence, sense of achievement, social interaction, fun!

Venue Requirements

Indoor, flat floor space of at least 4.5m x 2m
Access to 13 amp plug (extension leads supplied)

Location

Indoors

Duration

Up to 6 hours

Event Includes

- Giant Walk on Floor Piano for up to 6 hours
- Musical Instructors
- 50 Inch Plasma TV
- On-Screen Software
- PA System
- First Aid Trained Staff
- £5 Million Public Liability Insurance

FACT SHEETS

📞 0207 610 1750 | ✉️ Contact Us

THE BIG PIANO

Set Up Information

Set Up Time

The BIG Piano takes approximately 1 hour to set up.

Size

Width

The mats are 1.5m wide, and another 0.5 m is required for the plasma TV, so it requires approx 2 meters width in total.

Length

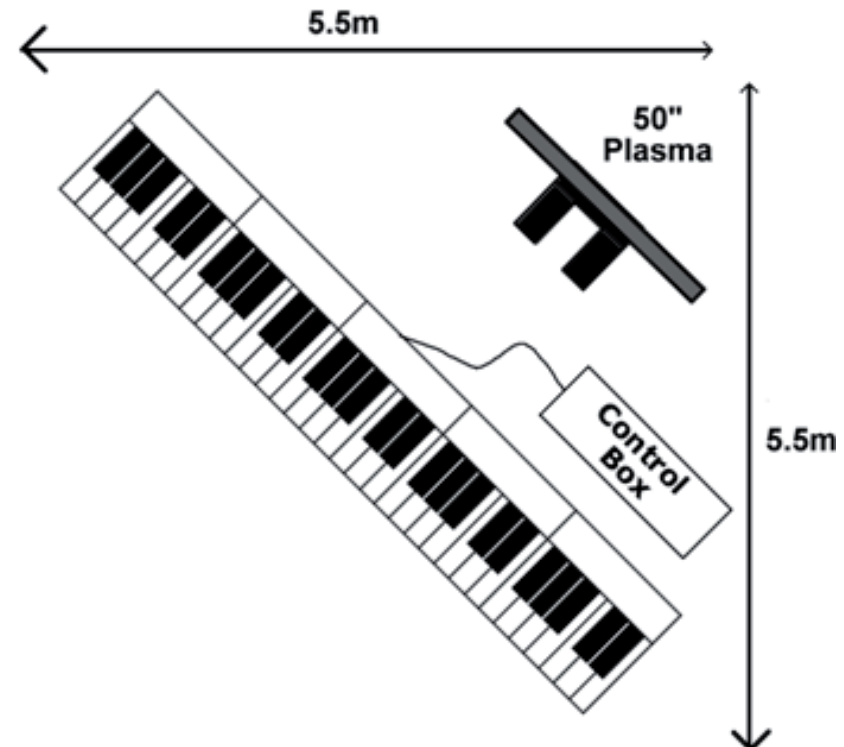

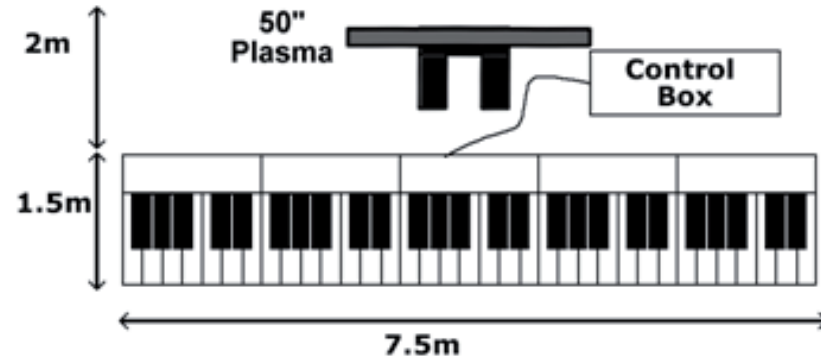

Each detachable octave mat is 1.5m long. 3 octaves are needed to play most of the tunes. At its full length there are 5 octaves, so we usually bring them all and see how many we can fit in!

Length Options

3 mats: 4.5 metres

4 mats: 6 metres

5 mats: 7.5 metres

FACT SHEETS

0207 610 1750 |  Contact Us

THE BIG PICTURE

Teams paint sections of a picture that later fit together to make one giant group masterpiece! The painting can then be proudly hung up in the office.

A colourful and creative team building event that gets all teams working towards a common goal!

Working in small groups initially, teams earn their paint by completing a variety of fun team games and challenges.

Once teams have earned their paints, things get colourful! They then work within their teams to correctly draw out the picture to scale on their canvases, mix the correct shades of colour and get painting. Teams will want to be competitive but will have to collaborate if they are to match the correct scale and colours needed to make the painting look good as a whole.

When will they realize that the sooner they start working together, the more successful the end result will be?!

Teams can see the results of their team work when the event concludes with the grand unveiling of their finished masterpiece. This is a high impact finale where teams can be really proud of their team work and creativity.

The painting is then taken back to the office where it can act as a visual example of their achievements and the importance of working together as a team.

Benefits

Creativity, collaboration, time management, communication, co-ordination, learning new skills, team spirit, social interaction, fun!

Venue Requirements

Indoor space

1 table per team (table covers provided) with chairs

2 trestle tables for equipment

Access to 13 amp plug socket (extension leads provided)

TO BE CONTINUED...

Teams collaborate to complete a series of challenges. One team picks up where another left off. Only when all teams have visited the activity can the challenge be completed!

Teams visit activity areas where they will complete part of a challenge. Teams will have to communicate effectively in a short hand-over period so that the following team can continue with the project.

At the end of the activities, we'll look at all completed projects to show what can be achieved with collaboration, team work and a group effort.

Activities can include:

The BIG Picture - Each team paints part of a picture which will later fit together to make one group masterpiece!

Paper Projects - Each team contributes towards creating a dinosaur skeleton (anatomically correct of course) out of paper rods!

Loony Balloons - Each team contributes towards creating a scene made entirely of balloons!

Piece of Cake - Teams must decorate cakes that will later fit together to make one giant super cake!

"Over To You" - Teams film part of a movie, advert, news report or music video using iPad filming equipment.

Collective Conundrums - Teams attempt some of our mental conundrums. (Will the last team be left with all the hardest ones?!)

One Track Challenge (optional finale) - Teams build a section of a Hot Wheels track that will later fit together to make a fun, fast obstacle course!

Roller Coaster (optional finale) - Teams build sections of a roller coaster that will fit together to make a fun fast finale!

Benefits

Team spirit, communication, co-ordination, collaboration, sharing information, time management, creativity, logical problem solving, leadership, social interaction, fun!

YES YOU CANAPÉ

A cookery activity where teams have a go at making their own delicious canapés.

Teams are given recipe cards and all the necessary equipment they will need to help them create their team cuisine!

Our expert chefs will be there to give advice, tips and techniques, so everyone can be confident that they can achieve something delicious, no matter how bad a cook they may think they are!

Teams can make a selection of hot and cold canapés. Each team is given their own unique recipe cards so that all teams make something different and a wide selection of canapés are available at the end of the activity.

For hot canapés, teams take their creations to their cook station where mobile ovens and hobs are provided.

This event can be held as a competition, with a prize for the winning team, or can be run as a collaborative event where the reward is for everyone to share and enjoy their canapés together!

As a fun conclusion to the activity, guests can then socialise whilst enjoying their canapé creations.

This is also the perfect activity to precede a dinner, as guests can share their canapés in a drinks reception or as a starter before a main meal.

Benefits

Creativity, time management, collaboration, communication, team spirit, learning new skills, sense of achievement, healthy competition, social interaction, relaxation, fun!

Venue Requirements

Indoor space
1 table per team, with chairs
Trestle tables for equipment
Access to 13 amp plug socket (extension leads provided)
1,500 Watts of power per oven
1,700 Watts of power per induction hob
Ability to isolate fire alarms in the activity room

CHARITY BIKE BUILD

A fun activity with serious intent – giving back to the community

Working in groups of up to 8, teams figure out (from detailed plans) the best way to construct a roadworthy bicycle from bicycle parts, nuts, bolts and screws.

Strict building / assembly regulations must be adhered to and will be checked thoroughly by the on-site engineering inspectors (before assembled bikes can be released to the adopted charity).

The variety of tasks is designed to encourage logical problem solving, communication and coordination, all with a focused, charitable objective.

Once the bikes have been assembled, teams then test their bikes on a rig and tweak all elements of the frame, saddle, gears, peddles etc., to perfection.

Only then will the fully tested bikes be handed over to the adopted charity.

Benefits

Challenges the group's problem solving skills, sense of achievement, collaboration and knowledge sharing, social interaction, team spirit, fun. Creates a lasting legacy and relationship between your business and the local community.

Venue Requirements

Indoor or outdoor space
1 table per team, with chairs
3 trestle tables for additional equipment
Access to 13 amp plug socket (extension leads provided)

Location

Indoors or outdoors

Participants

40 – 120 +

Suggested Team Size

5 - 8 guests per team

Duration

3 hours

Event Includes

- Event Manager

SIX HATS AND THE BIGGER PICTURE

A cerebral and creative activity which forces collaboration and evolves into a measurable outcome

In team multiples of 6 to 8, this 2-part indoor activity is designed to:

- challenge delegates to think in a different way
- create an outcome which would be a constant reminder to all concerned (back in the workplace) of the team objectives and of the benefits of working individually, but together.

The day is divided into two halves with two linked projects.

Morning – Edward de Bono's 6 Hats Thinking

The team is asked to bring business issues to the event - to discuss, debate and find a solution. They are then asked to debate the issues using 6 Hats methodology to solve their own problems. By mentally wearing and switching "hats," participants easily focus on: White Hat (Factual); Red Hat (Emotional); Black Hat (Judgemental); Yellow Hat (Positivity); Green Hat (Creativity); Blue Hat (Process control).

Afternoon – The Bigger Picture

The team is then tasked with creating a painting which would be a permanent visual expression of their business solution. Each team member paints one section of the overall canvass but has to ensure that all team members are using the same colour blue sky and same colour grass

to ensure each segment of the painting flows seamlessly into the other creating a Bigger Picture. The end result – a painting representing how the team has committed to work together to solve a specific work related issue.

Benefits

Sense of achievement, collaboration, improved team spirit, fun. A realisation of what working together can achieve. A pride in the product of the team's efforts. The outcome is a permanent reminder, back in the workplace, of the solution to a problem the team said it would deliver.

Venue Requirements

Indoor space

1 table per team, with chairs

2 trestle tables for additional equipment

Access to 13 amp plug socket (extension leads provided)

Location

Indoors

Participants

6 – 60 +

Suggested Team Size

6 - 8 guests per team

Duration

3 hours morning and 3 hours afternoon

Event Includes

- Event Manager
- Event Facilitator
- Instruction presentations
- Information & Team Packs
- 6 x Caps per participant, Table covers, Aprons, Brushes, Acrylic paints, Canvasses
- First Aid Staff
- £5 Million Public Liability Insurance
